Re: Written *Ex Parte* Presentation in ET Docket Nos. 04-37, 03-104

Dear Ms. Dortch:

Panasonic Corporation of North America (“Panasonic”) has filed the attached Comments in WC Docket No. 06-10, which concerns the petition of the United Power Line Council for a declaratory ruling that broadband over power line-enabled Internet access service (“BPL”) is an information service as defined in the Communications Act of 1934, as amended. These Comments address matters that also concern the above-referenced proceeding on BPL, and, accordingly, Panasonic is filing them as a written *ex parte* presentation in that proceeding.

Respectfully submitted,

PANASONIC CORPORATION OF NORTH AMERICA
